Sabres Ice Hockey Supports St. Vincent de Paul Food Pantry

The Saints Peter and Paul Ice Hockey Team recently collected canned and non-perishable food items in support of the St. Vincent de Paul Society Food Pantry of Saints Peter and Paul Parish. Led by senior team captains Patrick Hopkins, Will Weisman, and Ethan Wagner, the team sponsored a tag day for the student body and collected over a thousand food items to benefit the hungry in our community. According to Weisman “the canned food drive experience helped us come together as a team and to support our local community.”

Kathy Weaver, Director of the Food Pantry, stated, “on behalf of the St. Vincent de Paul Society and poor we serve, thanks to the SSPP Ice Hockey Team for their generous support of our ministry. This is wonderful - and will be a great help to so many of the poor in our area.”
