Saints Peter and Paul High School Raises Money and Awareness for Breast Cancer Research

Members of the SSPP Women's Field Hockey Team support breast cancer research by marking their field in PINK!

The students at Saints Peter and Paul High School dedicated October for their Charity of the Month in support of cancer research and awareness. The school sponsored a **Cancer Awareness Week**, sharing information and inspiring stories about cancer research and heroic survivors. Throughout the month, the Athletic Department decked out our athletic fields in pink lines and the symbol for Breast Cancer Research. The students held a \$5 Tag Day with all proceeds the free mammogram program for underprivileged women of Talbot County.

Freshmen Elect New Officers

by Madeline Webb '13

Four new members were welcomed to the Saints Peter and Paul Student Government Association as candidates from the Class of 2015 commenced their campaigns with rousing speeches before a class-wide vote to determine who would represent the Freshman Class during the upcoming school year. Various candidates ran for office and took turns coming before the Freshman Class to give speeches as their class moderators, Mr. Dan Leve and Mrs. Barbara Biddle, supervised. Often witty and humorous, the recurring theme of the candidates' speeches was the idea of the Freshman Class coming together as a new-found family. At the end of the day, after all the votes were carefully counted, the results were **Sarah Paul—President; Karlie Brenton—Vice President; Hannah Bradley—Secretary; and Ryan Sneddon—Treasurer.** They will lead their new class family for the 2011-2012 school year and join a determined and dedicated SGA.

Saints Peter and Paul High School Mission Statement

Saints Peter and Paul High School endeavors to graduate students who are strong in mind, body, and spirit and who can think critically, creatively, and globally in a faith-based environment where they join with faculty in a quest for wisdom, knowledge, and grace before God and their fellow human beings.
