

PSA MINUTES
MARCH 12, 2007

President, Taryn Chase opened the meeting with a prayer.
The minutes were accepted as posted on the school website.
The Treasurer's report was read by Cathy Dowd and accepted.

Old Business

1. Uniform Sale was a success. It was suggested that room moms forward a note to parents on storing any uniforms they wish to donate for the next June sale. Drop off on June 4th, and the sale to be held on June 5th.
2. Officer positions were addressed and nominations accepted. Melissa Deluca has accepted the secretary position. Vice president position is still vacant.
3. Casino night/Spring Fling. A car has been donated this year for the event. It will be parked at the school for display. Weekends and for the Easter break it will be removed from the property. The teachers were asked to make a wish list for their classrooms. The requests were wide ranged. It was decided that we would try to get a flat screen TV with a VCR/DVD player attached for each room. It would be \$500.00 per classroom with a TV in reserve in case of a needed repair. A total of 25 TVs in all. Easton Cable will connect the TVs free of charge. Mrs. Webster would like to see a possible Spanish language program evolve from this. It is not too early to start volunteering for the 2008 Spring Fling.

New Business

1. Family Fun/Movie Night will replace the Bingo night. There will be two movie showings, a later showing for the older children. This movie night is on a trial basis. Jackie Sadler and Colleen Gabler have volunteered to head up this event.
2. Cindy Buniski requested a \$5000.00 budget for the assembly program for next year. It was accepted as requested.
3. 8th grade graduation will be held on June 1st at 6 pm at SSPP Church. The 7th grade will host the reception with the assistance of Mr. Miller in the narthex of the Church. They will need the 7th grade parents to volunteer to help.
4. Field Day is June 1st with a rain date of June 4th. Updates to come.

Reports

Updates from Mrs. Webster are as follows:

*Leah Yunker is the new 4th grade aide. She comes with an education background and was able to start right away. Her first day began on 3/12/07.

*The feedback from parents and students on the SSPP Elementary Strategic Planning process was filled with excellent suggestions. The parents that participated have asked to see in writing the final submitted report. Chairs: Mrs. Dinkle and Mrs. Leve.

*Mrs. Webster would like to see a Geography component added to the Social Studies curriculum from Kindergarten to grade 8. She would also like to see a health class added with nutrition to the P.E. program.

The High School Advisory Committee is working hard on a short term solution of 2 – 3 years and a long term solution of 5 – 8 years. They are looking to possibly relocate to a regional high school.
